

PROFILE

TECHNO  SERIES
LIMITED

Everything is Possible

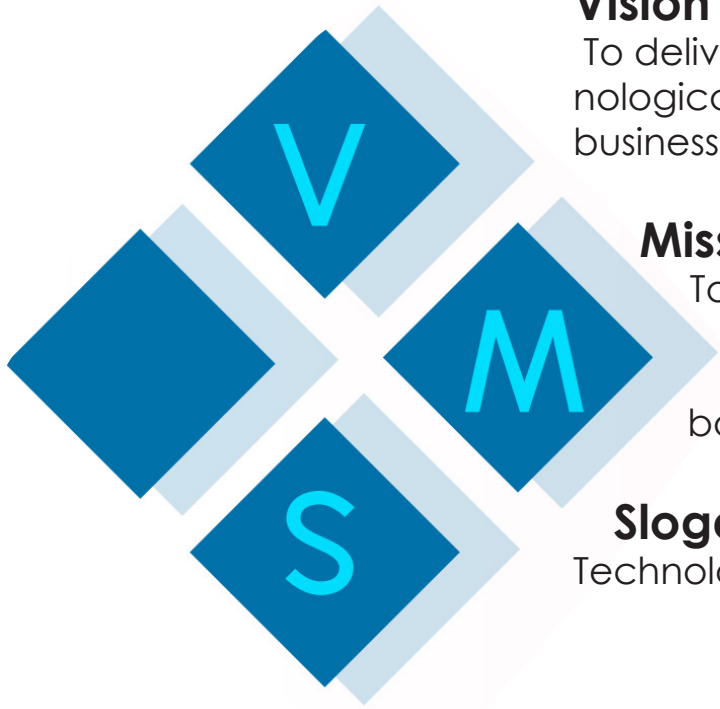

Who we Are

**A Zambian ICT serving company
delivering IT Services and Creative
Multimedia productions.**

Our team is comprised of IT support Technicians, Motion/Graphic Designers and Software Developers. We also have TV/ Radio Presenters for live brand marketing campaigns. We are the best team around possible to meet your I.T or Multimedia needs.

AS a company we're not just about fixing the 'current' problem. We set up a business that looks to predict trends and possible downfalls. This way, our clients are never taken by surprise. Techno-Series prides itself in offering proprietary solutions for your business. We meet you, we get to know you and learn what can affect you negatively and come up with ways to protect you from it. All this while you continue to do what you are good at and operate your business with peace of mind

Vision

To deliver quality service through technological solutions that provide value to business.

Mission

To satisfy client expectations through efficiency and quality production thereby creating bona fide relationships.

Slogan

Technology's Eye Into The Future

Core Values

Honesty

At Techno Series we believe that our clients need to know exactly what we are doing for them.

In taking an honest approach we will do the following

- Listen
- Clarify, ask questions and communicate
- Share information
- Be straight forward
- Discuss in a timely manner
- Hold ourselves responsible and accountable for our actions
- Act on our Promises and deliver.

Accountability

- Hold ourselves responsible for our actions
- Make sure we clarify and communicate
- Take ownership of wrongs
- Act on our Promise

Core Values

Trust

- Being credible by giving correct information to clients and advice
- Being timely and efficient in our responses to our clients
- Provide the best services and always be fair in our charge

Respect

- Learn our clients' work environment
- Allow personal growth
- Value differences
- Listen and understand our clients' problem

Hard Work

- Once fixed or resolved the issue should never arise as a problem again
- Meet and exceed expectations
- Performance planning and innovations
- Collaborate and encourage team work

Core Values

Core Values

Core Values

These values set our standards. They are a result of interactions and experiences from and with varied clientele over a period of time concerning their needs and desires. We believe that building a good customer rapport delivers great results for both Techno Series and our client.

Our Services

Our services range from ICT Repairs & Quality Assurance, Computer Maintenance, Motion Graphics/Design, ICT supply, Web development, IT Security, Network Design & Installation, IT Training, and Outsourcing IT.

Before we start working on your system we ensure that you have a safe environment by checking your work area.

SAFETY First

In every environment safety comes first; which brings us to the following Techno Series Ltd work ethics;

- a) Our work environment should be clean and well lit.
- b) Power tool plugs must match the outlet and should be grounded.
- c) There should be no exposure of power tools to rain or wet conditions.
- d) Don't overreach. Keep proper footing and balance at all times.
- e) Dress properly, no loose clothing or jewellery during working hours.
- f) Fire extinguishers have to be mounted in every work environment.
- g) Training of all personnel at the company is always carried out.

At Techno Series, we value your peace of mind and long to ensure you feel secure in your decision to hire us for our services and that is why we want you to know our core values and what you can expect from us a leading IT and Media company

3. Backup and Data Recovery

Techno series knows the value of data and has created a system to ensure the customer's data is safe and secure. We recover data that is lost or deleted from drives that have crashed and have lost information.

4. Security Implementation

Systems need to be protected from viruses, hacking and many other threats that can cause data leaks, losses and damage. At Techno Series we put up measures to help prevent all threats that might put the data of our clients at risk.

5. ICT consultancy & Quality Assurance

The world is a Global village with a lot of Technology and this might be very difficult for companies to choose which technology systems best suit them. We at Techno Series will partner with our clients to choose the technology that will reduce cost as well as increase productivity for the company. We provide strategic guidance to our clients with regards to new and simpler ways to use this technology.

6. CCTV Support

Supply and Installation of CCTV with a great after sales support system

7. iP Phone

Supply and Installation of iP based phone systems

Services

SOFTWARE Development

1. Website development

Companies need an environment that will showcase what they do and a website is one of the many online platforms that create the best way for customers to find what they need and are looking for.

2. Software development

Creating programs that make life simpler and more efficient for our clients.

TRAINING AND TUTORING

We offer Staff/Project Training with every project that we undertake so as to give the systems' operators and users the necessary skills and trouble- shooting techniques to enable them to work in the new environment.

II. We also offer tutoring in the above listed named services and the following respective fields

Higher Introduction to Computers
Information Systems for Managers

Graphics Designing and Printing
Orientation to Microsoft Office Package

Software Installations

Higher Internet Skills

System package orientation

Services

MULTIMEDIA Department

Our Passion is driven by the desire to see your vision through your eyes and bring it to life so that end product speaks value.

Our legacy is boasted in having been the first Zambian Company to provide visual effects for a foreign movie when we partnered with Zimbabwe on a Fiction Film Amalgamated.

We also pride in working with World Vision, Puma, BL&D, Workers Compensation among other great institutions in capturing how they are impacting Zambia towards a fortified economic future.

Other honorable mentions include Editing and Visual Effects(Film Graphics) on the TV Series, City On Fire, which aired on Zambezi Magic 2017 and 2018, and the 2018 Action Thriller, PayBack. We also pride ourselves in the making of some digital campaign materials for Kwacha Music Awards 2017, 2018 & 2019.

OUR PRINTING SERVICES

1. **Banners:** At Techno Series, we offer a wide range of banner printing options, including vinyl banners, fabric banners, and mesh banners. Our banners are durable, vivid, and customizable to suit your specific promotional needs, whether it's for events, trade shows, or storefront displays.
2. **Posters:** We excel in producing high-quality posters that effectively convey your message. Our posters are available in various sizes and materials, ensuring that your promotional material grabs attention and leaves a lasting impression.
3. **Pop-Up Banners:** Our pop-up banners are portable, easy to set up, and perfect for events, exhibitions, and conferences. We provide custom designs and high-resolution printing to make your brand stand out in any setting.
4. **Tear Drop Flags:** Enhance your outdoor marketing efforts with our tear drop flags. These eye-catching flags come in various sizes and are ideal for promoting your business, products, or events at outdoor venues and storefronts.

Company Profiles:

A compelling company profile is crucial for leaving a positive impression on potential clients and partners. Techno Series offers professional company profile design and printing services. Our expert team ensures that your company profile is visually appealing, informative, and aligns with your branding strategy.

Branding Services:

Effective branding is essential for building a strong identity and fostering customer trust. Techno Series provides comprehensive branding services, including:

Logo Design: We create unique and memorable logos that represent your brand's identity and values.

Brand Collateral: From business cards to brochures, we design and print various marketing materials to reinforce your brand image.

Brand Guidelines: We establish clear brand guidelines to ensure consistency in your branding across all channels.

Online Branding: Our services extend to digital branding, including website design and social media branding, to maintain a cohesive online presence.

Air Conditioning Services:

In addition to our printing and branding expertise, Techno Series offers top-notch air conditioning services, including installation, maintenance, and repair. We ensure that your indoor environment remains comfortable, efficient, and conducive to productivity.

WHY CHOOSE TECHNO SERIES:

Quality Assurance:

We uphold the highest standards in our services, ensuring that your materials are impressive, your branding is consistent, and your indoor climate is comfortable.

Customization:

Every project is tailored to meet your specific requirements and branding guidelines.

Timely Delivery:

We understand the importance of deadlines and strive to deliver your materials or complete your air conditioning projects on time, every time.

Customer-Centric Approach:

Our team is dedicated to providing exceptional service and support throughout the process.

Elevate your brand with Techno Series's premium printing and branding services, and ensure your indoor comfort with our air conditioning services. For inquiries, quotes, or to discuss your needs, please reach out to us at [contact information].

Discover the power of impactful print materials, branding solutions, and indoor comfort with Techno Series. Your success and comfort are our priorities, and we look forward to partnering with you to achieve your goals.
